

Dear Aldrin Community Members,

During the holiday season we often begin to think of those who are having difficulty satisfying their basic needs, let alone buying holiday gifts for their children. Therefore, we are reaching out to those of you in our Aldrin Community who might be in a position to be able to assist us to make this holiday season a little more jolly for one of our neighbors.

For a number of years, Aldrin School has assisted Aldrin families through a fund known as the ARC (Aldrin Really Cares) fund. The monies generated in this fund have been through staff and community donations. This year, we will use this fund to lend a helping hand to families in need. If you would like to donate to this fund, please enclose your donation in a sealed envelope with your name and send it to the school office. Checks can be made out to **Aldrin School – ARC**. Of course donations are accepted all year, but if you would like to help at this time of year, we would ask for donations to be sent to school by December 7. For further information, please contact Mrs. Haack, assistant principal or our social worker, Mrs. Bobren.

Thank you in advance for your ever generous spirit. We know these families will be very grateful that the Aldrin Community thought to make their holiday season a little brighter.

Happy Holidays!  
The Aldrin School Giving Snowman Committee
