Dear Aldrin Parents,

Field Day is quickly approaching so please mark your calendars to join us on **Friday; May 31** (Rain date is set for Monday; June 3). Volunteers are such a valuable part of the Field Day and are the key to the event's success. I was blown away with the amount of volunteers that we had helping out these past 2 years. The students and I really appreciate you taking the time to come and spend the day with them! We welcome all volunteers, so please invite your extended family to join us for the day too. Please be aware that younger siblings may not join you, at the stations, for safety reasons. Each station will already be set up for you upon arrival. Your role will be to present the provided directions to our eager students and then watch the fun evolve! Field Day will take place from 9:00 am to approx. 2:45 pm, breaking for lunch midday. I look forward to you helping in any way possible and truly appreciate the consideration.
