## Summer Book Challenge

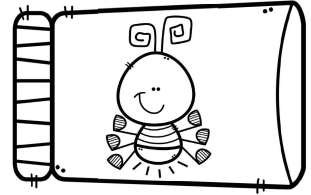

Our summer book challenge promotes daily reading as a way to prevent the "summer slide." Students who complete the challenge will be rewarded when we come back to school!

Directions: Each square requires 20 minutes of reading, and only one square may be completed per day. The goal is to read over the **entire** summer, so completing 2-3 squares per week is recommended. Record the requested information about each square on the back of this sheet. Have fun and happy reading!
