

We're hitting the road and bringing the Library to you!

What's the Pop-Up Library? Children's books, activities, games, crafts and more - all right at your door.

Why is it coming here? We know it's not easy for everyone to come to one of our three locations, so we're bringing the Library to you - along with plenty of books, learning and fun!

Can I check out the books? Of course! You don't even need a Library card. Return the books at the Pop-Up Library's next visit, or at any Schaumburg Township District Library location. There are no late fees - just bring the books back when you can.
