Dear Families,

Welcome to the 2020-2021 school year! While our year will begin virtually, we remain connected. In times of considerable uncertainty, a sense of hope emerges when communities come together with one common goal. Aldrin’s PTA’s mission is to assist in helping every student realize their potential by encouraging and empowering them, their families, and the community.

Aldrin PTA is committed to fostering a sense of unity among families, staff, and our broader community- regardless of what the year may bring us. We need your support, now more than ever, to help ensure that every single child feels that sense of community, connection, love, and support. We want the Aldrin PTA to be a place where everyone feels welcomed and supported. We want families to feel represented and welcome perspectives and ideas.

Respectfully,
Aldrin PTA

We value your commitment and understand that it may look different for each family. Please take a look at the different ways you can support our Aldrin PTA this year. There is something for everyone!
